**Cash and cash equivalents, end of year** | $438,917 | $283,118 |
Baykeeper’s successful legal actions over the last twenty-two years have leveraged millions of dollars for projects that are creating a healthier San Francisco Bay and more sustainable Bay Area communities.

When Baykeeper settles lawsuits with polluters, we seek mitigation payments to offset the damage done by illegal pollution to the Bay. These payments are placed in a fund at the Rose Foundation for Communities and the Environment, which then grants the money to other organizations working to protect and restore the Bay watershed through strategies that include: preserving sensitive shoreline around the Bay; defending the water quality of the Sacramento-San Joaquin Delta; advocating for healthy urban habitat in disadvantaged communities; and educating children about the importance of environmental stewardship. Your support of San Francisco Baykeeper provides funding for not only our work to protect the Bay, but for these worthy causes as well.

In 2010-2011, Baykeeper’s successful legal settlements provided a total of more than $370,000 in funding to the following projects:

**CITIZENS COMMITTEE TO COMPLETE THE REFUGE** $25,000
To support public outreach and advocacy related to protecting sensitive wetlands and other shoreline habitat in Alameda and San Mateo Counties.

**EAST BAY ALLIANCE FOR A SUSTAINABLE ECONOMY** $12,500
To support the Port of Oakland Pollution Reduction Project, focusing on reducing contamination related to trucking operations at the port, including oil, grease and toxic metals that run off into the Oakland Estuary and nearby San Francisco Bay waters.

**GOLDEN GATE UNIVERSITY GREENSPACE PROJECT** $20,000
To support advocacy to remediate toxic contamination along the Bay shoreline and the creation of a new waterfront park on a 500-acre parcel located at the former Alameda Naval Air Station.
FUNDING WATERSHED PROTECTION (continued)

STEVEN'S & PERMANENTE CREEK WATERSHED COUNCIL $6,465
To support volunteer-based water quality monitoring measuring water chemistry and benthic macro invertebrates, as well as community education about local creek stewardship in the southern reaches of San Francisco Bay.

CALIFORNIA SPORTFISHING PROTECTION ALLIANCE $135,000
Supports water quality monitoring, public education and advocacy to protect the water quality of the San Francisco Bay-Delta estuary and its tributaries, including the Sacramento and San Joaquin Rivers.

RESTORE THE DELTA $15,000
To support public education and advocacy to protect the Sacramento/San Joaquin Bay Delta.

CITIZENS FOR A SUSTAINABLE POINT MOLATE $12,500
To support community outreach promoting the sustainable redevelopment of Point Molate in Richmond, including open space protection, shoreline access, renewable energy, bio-remediation of historic toxics, restoration of degraded Bayshore lands and preservation of historic buildings and cultural resources.

GOLDEN GATE AUDUBON ECO-RICHMOND PROGRAM $10,000
To support bi-lingual watershed-based environmental education at 6 – 8 classes at Bayview and Lake Elementary Schools in North Richmond. Related student activities will include shoreline clean-up and invasive plant removal.

AQUALLIANCE HEALING WATERS CAMPAIGN $16,000
To protect the hydrologic health of the Sacramento River watershed through community outreach, participation in state and regional planning processes and litigation to stop a proposed transfer of 400,000 acre feet of water out of the region.

CALIFORNIA WATER IMPACT NETWORK $20,000
To support economic and policy analysis of recent state Delta-flow criteria, and community and media outreach offering practical solutions designed to improve the water quality and habitat values of the San Francisco Bay-Delta Estuary.

COMMUNITIES FOR A BETTER ENVIRONMENT TOXIC FALLOUT PROGRAM $20,000
To support community organizing, policy development and advocacy to prevent the cumulative impact of pollution directly discharged into San Francisco Bay as well as toxic runoff from aerial fallout.
FUNDING WATERSHED PROTECTION (continued)

FRIENDS OF THE PETALUMA RIVER $1,000
To support tours for scientists, regional decision makers and the general public; mapping and eradicating invasive Spartina grass; and conducting volunteer river clean-ups to annually remove tons of garbage from the river.

SEQUOIA UNION HIGH SCHOOL $30,000
To support the Redwood Environmental Academy of Leadership, providing watershed-based service-learning environmental education programs for underserved and disadvantaged San Mateo County youth.

SIERRA NEVADA ALLIANCE $5,000
To support travel costs allowing 15 grassroots activists to attend an annual conference to participate in discussions related to the water quality of key tributaries to the San Francisco Bay-Delta watershed.

SPRAWLDEF, SUSTAINABILITY, PARKS, RECYCLING AND WILDLIFE DEFENSE FUND $5,000
To support the Potrero Hills Landfill Project’s community outreach and advocacy opposing the expansion of the Potrero Hills Landfill in Solano County. The landfill is located within the Suisun Marsh Protection Area and encroaches on the sensitive marsh ecosystem, especially the freshwater flows essential to maintaining the appropriate salinity balance in the brackish waters of the marsh.

ARC ECOLOGY $5,000
To support advocacy on the Treasure Island Environmental Impact Report to minimize impacts to San Francisco Bay related to the redevelopment of Treasure Island.

SEA STEWARDS $20,000
To support ongoing tagging of large sharks in San Francisco Bay to define their populations and determine risk factors, and sampling of shark tissue to determine levels of mercury and other toxins.

UPPER GREEN VALLEY HOMEOWNERS, GREEN CREEK WATER QUALITY LITIGATION $5,000
To support a legal challenge to protect water quality and salmon habitat in southern Solano County.

ACTERRA WATERSHED CONSERVATION AND RESTORATION PROJECT $7,500
To support mobilization of hundreds of volunteers to remove invasive weeds, clean up garbage and restore creekside habitat by planting native plants.
The following donors made gifts to San Francisco Baykeeper between July 1, 2010 and June 30, 2011. We thank them for their generous support and investment in our work to protect San Francisco Bay.
